

# A Message From the Director of Athletics

We couldn't be more proud of our NCAA Division II athletic program. The championships we've brought home, national recognition, and increasing accolades is testimony that our young program becomes more competitive with each passing season.

It is not just our competitive success that makes us proud. Our student-athletes consistently succeed in reaching their ultimate goal of graduating from this fine university. Twelve consecutive semesters with above a 3.0 cumulative grade point average (higher than the campus average) proves that our students' pursuit of their scholarly goals remains most important.

It's no wonder our program is attracting more student-athletes, men and women alike. Unfortunately, our scholarship fund isn't large enough to cover everyone who wants to compete. On average, our scholarships cover only 20 percent what it costs to attend; as a result, many student-athletes work while attending school.

We believe the lessons learned on the field, along with those learned in the classroom, contribute to the development of terrific citizens. We also believe that every student-athlete should be able to fulfill their dream of participating in intercollegiate sports. You can help make dreams come true by joining the Mountain Lion Athletic Association. Your support will be used to provide scholarship funding that will enable even more deserving student-athletes the overall winning experience they seek.

# Mountain Lion Athletic Association Scholarship Program Giving Levels

By supporting the Mountain Lion Athletic Association you can play an active role in developing the leaders of tomorrow. Your scholarship gift will mean enriching experiences—on the field and off—that prepare our student-athletes for success in life. One hundred percent of your gift will go directly to student athletic scholarships. And while our student-athletes will benefit from your generosity, you too will benefit from your membership at any level in the Mountain Lion Athletic Association.
